Huānyíng – Welcome!

Look forward to a delicious combination of Chinese and Japanese specialties at our Golden Dragon Asia Restaurant.

Seng, along with his team, ensures the renowned quality of our well-known Chinese dishes. They also handle all Take Away orders. The freshly prepared sushi specialties, distinguished by their vibrant colors and intense flavors, are made with passion by Sushi Master Joseph and his wife Venus.

If you have any questions about the dishes, Chef de Service Mauro and the service team are always happy to assist you in choosing the perfect specialties and recommending the suitable wine.

They can also provide information about ingredients that may cause allergies or other adverse reactions.

We look forward to your visit!

PEKING DUCK

(for 2 guest and more)

Only on order 48 hours in advance. 需兩天前預訂

One of the most famous dishes (3 course menu) and speciality of Chinese cuisine.

The duck is presented before the meal and the skin is cut into even lozenges at your table. You roll them with cucumber juliennes into thin pancakes and eat it with a special hoisin sauce. Followed by a clear duck broth with chowder. Meanwhile the chef thinly slices the duck meat which is served with various side dishes as main course.
